

# Why a Day of Generosity?

God is raising up a fresh army of Great Commission workers from the 2,700 churches of our movement located outside of North America. Working in close partnership with us, they're taking the Good News of Jesus Christ to some of the most challenging places on earth...

- to least-reached tribes in the heart of Africa
- to the spiritually hardened soils of Europe
- to the teaming cities of Latin America
- to the religiously diverse towns and villages of Asia

## How can you and I help?

These dedicated men and women are selected, trained and sent by their local churches. Most of these churches are unable to fully meet the financial challenge of sending workers cross-culturally.

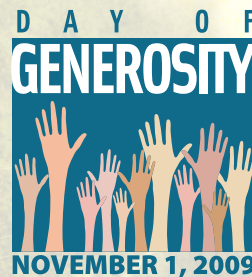

Our goal is to match the financial sacrifices of our sister churches by raising \$321,000

in a nation-wide offering set for **November 1, 2009.**
